ORDER

In re Monroe Minors

Docket No. 279534

LC No. 06-005267-NA

The Court orders that the circuit court's order terminating respondent's rights to the minor children is **AFFIRMED**. Given that respondent killed an infant in his care, and given his poor prognosis for change, the trial court did not clearly err in finding a statutory basis for termination by clear and convincing evidence and in finding that it would not be contrary to the children's best interests to terminate respondent's parental rights. See *In re Trejo*, 462 Mich 341, 364-365; 612 NW2d 407 (2000).
